

55th Reunion Year for the CI'67

Dee (Schuster) Cavanagh, our fearless Class representative, and other classmates who live out West did float the idea of a reunion in Victoria. But for several reasons, not the least of which was COVID jitters when traveling, these plans were cancelled. But many of us still stay in touch regularly by email and Zoom, and enjoy getting together in person too. Here are a few photos from get togethers this year, a full 55 years since graduation!

In May, Karen Hunter welcomed Betty Phin, Miriam Oben, and Eleanor Low to her condo in Barrie for lunch and a catch up. Bet and El had not seen Miriam in some time and she now lives in the same building as Karen. We enjoyed a delicious lunch and time on the balcony overlooking Lake Simcoe.

Dee and Marg Jamieson visited in New Westminister, BC in August. They enjoyed a Paddleboat Sunset dinner cruise up the Fraser River, took the Skytrain and Seabus to North Vancouver, toured Gastown, went to a farmers market as well as visiting local malls, stores and pubs. They looked at previous reunion albums and reminisced about the years at HSC.

Julie McLean-Squires, Karon West, Judy Pielsticker, Ann Wilson, Marilyn Mulkins, Jeff Bamford and Sandy Boucher got together for supper at Karon's condo in downtown Toronto in late summer. Mute and Julie also enjoyed a swim at Bala earlier in the weekend. These classmates got together on Zoom every 3-4 months during COVID and are keeping this up.

Karen (Hunter) Kinzie also travelled West this Fall and enjoyed a visit with Dee Cavanagh and Dinah Green. It looks like it was a very relaxing time!

In October, Karen, Miriam and Cathy Lamb caught up with one another as did Karen, Judy Bailey and Pat Ritchie!

We're sure others got together as well to check in and perhaps recall the good old days. If so we would love to share your photos.

We can all agree that Dee is doing a terrific job of keeping us all informed of HSC happenings and she certainly led the planning for a reunion in Vancouver this year. Sadly many of us felt we could not travel at this time. Thanks for all you do, Dee.

The holiday season is approaching now and we'll soon be into 2023. Let's stay in touch!

Hugs from your website admins.

Karen and El xo
